# **CRITERION I – CURRICULAR ASPECTS**

### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Institution follows curriculum prescribed by Thiruvalluvar University, as it is affiliated to same. Institution at the end of each academic year instructs its staff members to submit curriculum schedule for subsequent academic year. At the beginning of each academic year Principal and HOD's at a joint session discuss the implementation of academic schedule in accordance with college calendar. The Principal of the institutions periodically check and verify the implementation of the schedule and discuss the same in the council meeting, if any pit falls are noticed. Internal assignment tests are conducted and corrected as per the plan of calendar and marks are uploaded in the department

Periodical tests are conducted to evaluate the academic progress of the students. Assignments and projects are mandatory for the post graduate students to calibrate the ideas and innovations. Week students are identified and supplemented with coaching and training. To improve practical skills, experiments are repeated on request. Model tests are conducted before the beginning of each semester. Students are encourage to attend conferences, workshop and seminars to update their knowledge on the new frontiers of arts and science. Experts are invited to deliberate on issues of current importance.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

At the beginning of each academic year, academic calendar is circulated among staff and students. Academic calendar is prepared matching with inputs from university academic programmes. Internal assessments and model exams are conducted on the specific date, as per the schedule of calendar. Extra Curricular and co curricular activities are performed as per the schedule. Department and College functions are carried out as per the dates of the calendar. It is ensured the universities mandate of 90 working days are followed as per the calendar. Study holidays and end semester vacations are planned according to the calendar.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

At every department a student council consisting of a secretary and join secretary is available to represent their academic and administrative grievances. The students council is constituted through unanimous nomination by student. Representative elections are not preferred to avoid friction. Representation is ensured from under graduation and post graduation equally. The gender representations are insisted through mandatory representation of fair gender. A student ambassador is available to provide an administrative and academic link with office and principal. He is the Spokesperson of the students grievances. Issues related to scholarship, fees, certificates are taken care by the office through students representatives. Academic grievances of the students are addressed immediately by department. The department functions are organised by the student representatives.

### 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The college has a registered alumni association. The Alumni Associations functions through two modes. (i) as an independent organisation, (ii) as an association endorsed by the College. The independent alumni association meet as and when necessary arise. Principal and senior faculties are invited to participate to offer suggestion to improve the welfare of the college.Alumni association endorsed by the college meets once in a year. Principal being the chief coordinator convene the meeting and present the immediate needs of the college,while reeving comments and suggestions from the alumni for the development of the college. Prominent alumni facilitate the prospective students for employment generation.Beside the alumni association of the college,Certain old departments have their own alumni set up to promote their department interest.Alumni have contributed in kind and cash for the development of the department and college.Steps are being implemented to strength the alumni association to play an active role in the development of the college.
