

CAREER GUIDANCE PROGRAMME

BY

PROFESSIONAL INFO TECH, COIMBATORE

Career guidance programme was conducted by the placement cell on 18.02.2020. Professional info tech, Coimbatore organized a placement seminar on health care and its opportunities for the life science and chemical science students. Job opportunities in the field of medical coding, clinical research and pharmaco vigilance were highlighted to the students. Students belonging to B.Sc., Zoology, B.Sc., Botany and B.Sc., Chemistry took part in the career guidance programme. Students with nil arrears up to 5th semester were permitted to participate. Nearly 90 students have gained knowledge through this seminar programme.
